THE COURSE

SWIM 1.5K We have changed the swim course into a small triangular course within the City Swim Buoys instead of straight out and back, starting from the Ironman Beach as before, and returning to it.

BIKE 40K From the transition area, cyclists head west along Lakeshore Drive, past the SS Sicamous and up Lakeshore Drive to a loop just before Highway 97. Then back along Riverside and Lakeshore and up Vancouver Hill. At the top of the hill, cyclists will do an out & back loop using Middle Bench and Tupper Intersections, then will travel out to Naramata to Chute Lake Road and turn point at Painted Rock, then directly back to Penticton. The course is very scenic but very challenging.

RUN 10K Runners get 2 k of flat course along Lakeshore and Riverside on which to regain their running legs before heading up the hill at West Bench. The hill concludes at the top of Bartlett Drive, approx. 1.2 k from the bottom of the hill. Runners will proceed along West Bench Drive to the turn point over an undulating course. The return leg is exactly the reverse. This is a scenic, but tough run.
